4 pieces

Tackle any job with ease with the Tool Backpack Pro, designed for installers, technicians, and construction professionals. With a robust outer material made from 66% recycled PET bottles, this tool backpack features a 17" laptop compartment, a spacious main compartment with a removable tool caddy, a crush-resistant glasses compartment, and multiple pockets for smaller items. Whether you need to carry hammers, screwdrivers, cables, or measuring tapes, this backpack has you covered. Stay connected on the go with the built-in USB port, while the air-flow back padding and comfort-fit shoulder straps keep you comfortable throughout your day. With lockable zippers on the main compartment and an EVA molded hard bottom, you can trust that the Tool Backpack Pro will elevate your work experience.
